DR. CHHATTRAPAL SINGH LODHA:

Will the Minister of FINANCE be pleased to state:

---

†Original notice of the question was received in Hindi:

(a) the reasons for not having private insurance of livestock in the country;

(b) the number of cases of death and theft of livestock under consideration of Insurance companies; ,

(c) whether it is a fact that the sum insured against theft of livestock is not being paid by Insurance companies in district Bulandshahar of Uttar Pradesh; and

(d) the number of cases pending with Insurance companies in district Bulandshahar, UP and by when the payment thereof is likely to be made?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM) (a) There is no insurance company exclusively for livestock but most of the general insurance companies cover private cattle/livestock under cattle/livestock insurance policies.

(b) and (c) Catle/livestock insurance policy covers death of animals due to disease/accident and permanent total disability at additional premium. Loss due to theft is a standard exclusion. Almost all the claims are due to death only. Since theft is not covered under the scheme, no separate Satisfics is maintained for the payment and pendency of claims.

(d)"information is being collected and will be laid on the Table of the House.
